Re: *Network Data Rooms, LLC v. Saulrealism LLC and Ryan Saul*
Docket No. 22-cv-02299-LGS

Your Honor:

I am currently out of the office in a rural area and received today's text order to file a letter regarding the Defendant's drive very late this afternoon.

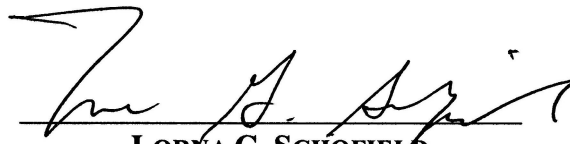

I am requesting an extension of time to confer with my client. I will return to the office on Monday, August 29th, and would greatly appreciate an extension to file on that date.

Respectfully submitted,

Application **GRANTED**. By **August 29, 2022**, Defendants shall file a letter clarifying whether the requested image of Defendant Saul's hard drive, or its functional equivalent, was made available to Plaintiff as a result of the restoration of the hard drive, including any files that may have been deleted.
